

Kardex AutoStore™ Xperience Tour

Sonepar | Dunaharaszti, Hungary
3 November 2026 | 09:00–approx. 14:00

Experience AutoStore™ in live operation and hear first-hand how Sonepar transformed its warehouse logistics together with Kardex.

Warehouse automation in daily operation

At its Dunaharaszti site, Sonepar Hungary operates an AutoStore™ system designed to make better use of available warehouse space while supporting faster and more accurate order processing. Implemented together with Kardex, the solution has become an integral part of Sonepar's daily logistics operations. Join us for an exclusive Xperience Day and see the system in action in a real warehouse environment.

The customer

Sonepar is a global B2B distributor of electrical products, solutions and related services. At its Dunaharaszti warehouse, Sonepar Hungary uses AutoStore™ to support its daily logistics operations and efficiently handle a large volume of products and orders.

The solution at a glance

The AutoStore™ system covers approximately 800 m² and includes:
- **30 robots**
- **More than 30,000 bins**
- **36,000 grid locations**
- **6 CarouselPorts**
- A compact automated storage and retrieval solution integrated into Sonepar's warehouse processes

What to expect
