

Kardex AutoStore™ Xperience Tour

Wool Warehouse | Royal Leamington Spa
26 January 2027 | 10:00 - 14:00

Experience AutoStore™ in live operation and hear first-hand how Wool Warehouse has transformed its warehouse logistics together with Kardex.

Warehouse automation in daily operation

Wool Warehouse are now operating an AutoStore™ system designed to make better use of available warehouse space while supporting faster and far more accurate order processing. Implemented with Kardex, the solution is an integral part of their daily logistics operations. Join us for an exclusive Xperience Day and see the system in action in a real warehouse environment.

The customer

Wool Warehouse is a UK online retailer of yarn and craft supplies. At its Leamington Spa warehouse, Wool Warehouse uses AutoStore™ to support its daily logistics operations and efficiently handle its main yarn product lines.

The solution at a glance

The AutoStore™ system covers approximately 900m² and includes:
- **34 robots**
- **34,000 grid locations**
- **6 CarouselPorts**
- **6 ConveyorPorts**

What to expect

- **Project insights from Kardex and Wool Warehouse**
Learn directly from the people involved in the implementation and operation of the system.

- **AutoStore™ live in operation**
See how the system works in a real warehouse environment and how it supports efficient storage and other manual order processes.

- **A guided warehouse tour**
Go behind the scenes and take a closer look at the AutoStore™ system and the connected warehouse processes.

- **Direct exchange with the experts**
Ask questions about your own warehouse challenges and exchange experiences with Wool Warehouse, Kardex and other logistics professionals.
